CHILD PROTECTION

Each year, every child enrolled in a Religious Education program, grades 1-6, in the Diocese of Rockville Centre will receive safety training by the use of the Child Lures Prevention Program. Parents and Guardians will be given a CHILD LURES PREVENTION PARENT HANDBOOK for the purpose of reviewing the topics that are taught to your child in class. Discussion and reinforcement of these topics, at home with your child, serves to make them more aware of dangerous situations and it empowers them to react in a positive way when and if they ever find themselves in such a situation.

Please sign to acknowledge you are aware of this program:
